

Works Notification

April 2017

Gold Coast Light Rail Stage 2

TEMPORARY WEEKEND LANE CLOSURES

OLSEN AVENUE, WINTERGREEN DRIVE AND PARKLANDS DRIVE, PARKWOOD

In early March, work commenced to install the light rail tracks across Olsen Avenue as part of the second stage of the Gold Coast Light Rail.

A full weekend closure is required to place the rail line across the intersection, which will occur from 8.00pm Friday 5 May until 5.00am Monday 8 May 2017, weather permitting.

- **All vehicle movements at the intersection of Olsen Avenue, Wintergreen and Parklands Drive will be closed.**
- Motorists should seek an alternative route.
- Vehicle access to the Gold Coast University Hospital will be maintained via Hollows Way and the Smith Street Motorway/Parklands Drive intersection (please refer to detour map overleaf).
- Vehicle access to businesses along Olsen Avenue will be maintained, including the Southport Sharks Australian Football Club (via Melia Court or Musgrave Avenue), and Dan Murphy's, The Parkwood

Tavern, Pet Destination and the United service station (via the Wintergreen Drive entrance accessed from Henry Cotton Drive or the Olsen Avenue entrance opposite Hollows Way).

What to expect:

During construction, you may notice changes around your local area such as:

- Traffic control for lane closures, diversions and detours including signage to direct motorists. In the event of wet weather or unforeseen circumstances, this activity will occur on the next available Friday through Monday.
- Visual message boards will operate in the area to keep you informed.
- Increased noise levels and vibration from machinery, equipment and site vehicles.

Work will involve:

- Temporary intersection closures and detours will be in place.
- Trucks and machinery including excavators, bobcat, mobile cranes and road saws.
- Concrete work including delivery, formwork and if required, concrete cutting.

Motorists are advised to avoid the area if possible during these works and seek an alternative route as delays are expected.

We appreciate your patience during these important works and will continue to update you as work progresses.

Detour map for access to hospital precinct and Parkwood during intersection closure

Where can you find out more information

If you have any questions or would like to register for more information, please contact the CPB Contractors Project Team on **1800 425 799*** or email **gclrstage2@cpbcon.com.au**. Visit **www.gclrstage2.com.au** for more information and updates.
