Gold Coast Light Rail Stage 2

PROGRESSIVE TEMPORARY LANE CLOSURES AND NIGHT WORKS SMITH STREET AND SMITH STREET MOTORWAY, PARKWOOD

From Monday 22 May 2017, until mid-June night work is required along Smith Street and the Smith Street Motorway to undertake the following activities:

- Installation of stormwater drainage and electrical conduits.
- Road works to prepare for the future installation of concrete safety barriers.
- Installation of overhead wire support equipment on light rail masts.

This work will be undertaken between 8:00pm and 4:00am Sunday to Thursday. This work is weather dependent and will be carried out on the next available night shift should delays occur.

Work must be undertaken at night when traffic volumes are at their lowest.

Work will involve:

- Progressive temporary short-term lane closures on both Smith Street and Smith Street Motorway.
- Traffic control and signage will be in place to assist and direct motorists.
- Removal of barriers, excavation and trenching within the project corridor.
- Installation of stormwater pipes with the use of a mobile crane.
- Use of an elevated platform to install overhead wire support equipment on light rail masts.
- The use of light vehicles, excavators, compaction rollers, trucks and cranes.
- Using temporary lighting towers to light the work areas.

What to expect

- Increased noise levels from machinery, including excavators and mobile crane.
- Traffic control vehicles to support the lane closures.

Every effort will be made to keep disruption to a minimum for residents and road users. We appreciate your patience during these important works and will continue to update you as work progresses.

Project information

Gold Coast Light Rail Stage 2 involves the design and construction of a new 7.3km route which runs from Helensvale heavy rail station adjacent to the Gold Coast Line, then adjacent to the Smith Street Motorway to connect with Stage 1 at the Gold Coast University Hospital light rail station.

GoldlinQ's construction contractor CPB Contractors commenced construction in July 2016 and are committed to completing the project in time for the Gold Coast 2018 Commonwealth Games.
