

## Works Notification

November 2017

### Gold Coast Light Rail Stage 2

TEMPORARY EASTBOUND LANE CLOSURE AND NIGHT WORKS  
SMITH STREET, PARKWOOD - NEAR NAPPER ROAD

From 8:00pm Friday 24 until 5:00am Monday 27 November 2007, work will occur to replace a small section of asphalt pavement on the eastbound carriageway of Smith Street, weather and construction conditions permitting.

To complete this section of asphalt pavement both day and night works will be required.

Visual message boards will be located along Napper Road and Smith Street to provide information on the above closures and detours closer to work commencing.

#### Work will involve:

- Eastbound traffic on Smith Street will be reduced to one lane either side of the Napper Road intersection.
- Removal of the existing asphalt and placing new asphalt.
- Traffic control for lane closure and signage to direct motorists.

#### What to expect:

During construction, you will notice changes around your local area such as:

- Traffic control for lane closure, including signage to direct motorists. In the event of wet weather or unforeseen circumstances, this activity will occur on the next available Friday through Monday.
- Visual message boards will operate in the area to keep you informed.
- Increased noise levels and vibration from machinery i.e. road saws, jackhammers, asphalt machinery, excavators, compaction equipment, trucks, site vehicles and lighting towers.

Every effort will be made to keep disruption to a minimum for residents and road users. We appreciate your patience during these important works and will continue to update you as work progresses.

## Contact the project team

If you have any questions or would like to register for more information, please contact the CPB Contractors Project Team on **1800 425 799\*** or email **[gclrstage2@cpbcon.com.au](mailto:gclrstage2@cpbcon.com.au)**. TEST TRAM AT OLSEN AVENUE, PARKWOOD

### REMINDER: Tram testing

Please be aware that tram testing is now underway between the Gold Coast University Hospital station to Helensvale station.

- **For safety, please do not attempt to access the Stage 2 alignment while tram and system testing occurs**, as the area is still a construction zone.
- Remember, overhead lines are live with electricity!
- Obey all road rules and signals when driving around the light rail system.
- Trams will not carry passengers on Stage 2 until passenger services commence in early 2018.
