

Works Notification

January 2018

Gold Coast Light Rail Stage 2

COMPLETION OF THE PARKWOOD STATION PEDESTRIAN FOOTBRIDGE
TEMPORARY NIGHT TIME CLOSURES OF SMITH STREET AT NAPPER ROAD

From Sunday 28 to Tuesday 30 January 2018 temporary night time closures of Smith Street will be required nightly between 7:00pm until 4:00am to complete the Parkwood station pedestrian footbridge. This work is weather dependent and will be carried out on the next available night shift should inclement weather or delays occur.

Prefabricated modules required on either side of the footbridge will be lifted into place with the use of a crane positioned on Smith Street approximately 50 metres east of the Napper Road intersection. During these works, Napper Road eastbound and southbound will be detoured. See detour map overleaf.

Works will include:

- Diversions in place with visual message boards to assist motorists, refer to diversion map overleaf.
- Set up and use of one 350 tonne crane on Smith Street.
- Lifting preassembled sections of the footbridge structure in place from the Parkwood park 'n' ride.

What to expect:

- Over the three nights, motorists should expect delays or seek an alternative route.
- Some minor increases in noise levels from machinery, equipment and site vehicles.
- Traffic control for lane closures, diversions and detours including signage to direct motorists.
- Visual message boards will operate in the area to keep you informed if wet weather or unforeseen circumstances delay this activity.

Light rail service changes: Helensvale to University Hospital stations only

In order to conduct this activity, the overhead lines will need to be powered down from Gold Coast University Hospital station to Helensvale station.

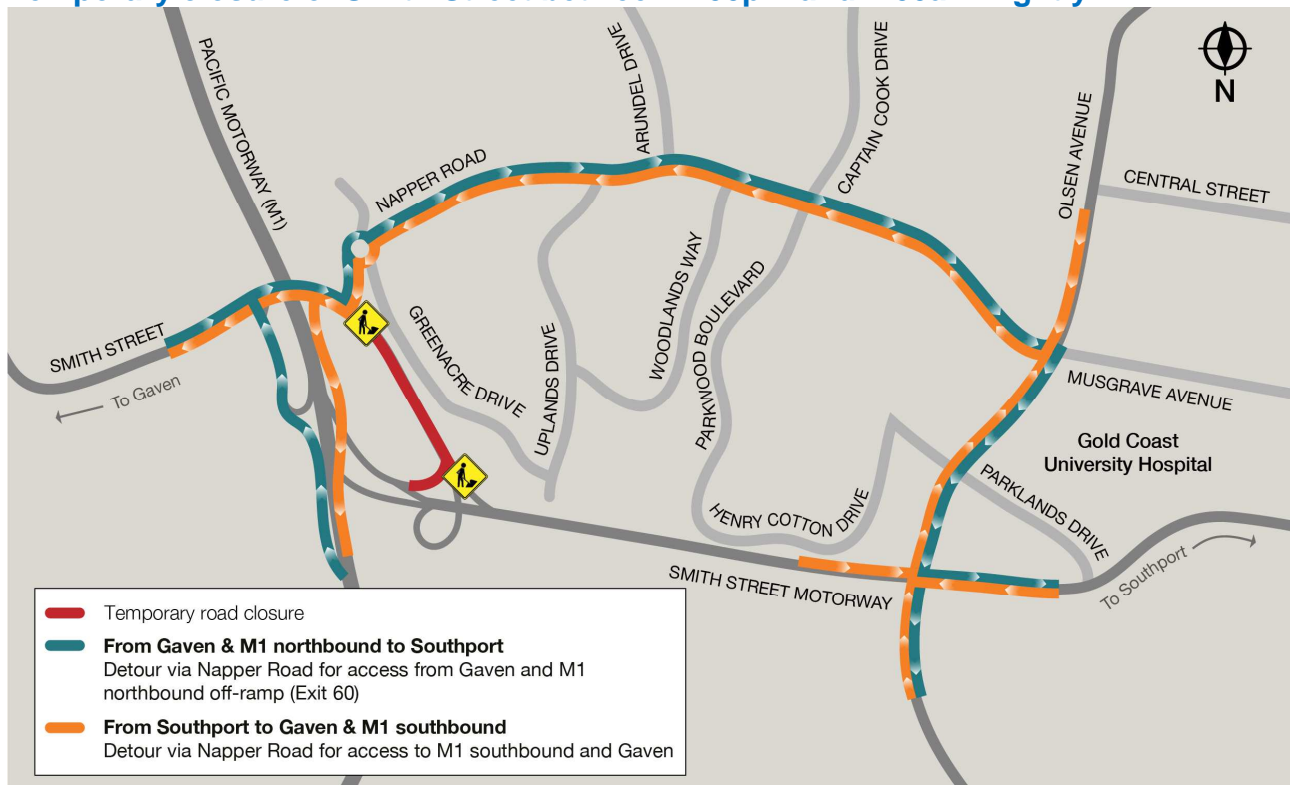

From 28–30 January, between the hours of 7:00pm to last service, buses will replace trams from Helensvale to Gold Coast University Hospital. Busses will operate to the light rail timetable from nearby bus replacement stops.

If you have any further questions on the change to G:link services please contact customerservice@RideTheG.com.au or call 1800 064 928.

If you have any questions about ticketing, fares or to plan your journey please visit Translink.com.au or call 13 12 30 anytime.

Smith Street detour map - 28-30 January 2018

Temporary closure of Smith Street between 7:00pm and 4:00am nightly.

During the works access to the Smith Street Motorway from the M1 southbound from Brisbane and access from the Smith Street Motorway onto the M1 northbound towards Brisbane will not be affected.

Pedestrian footbridge facts:

- 44 metre long footbridge
- Full disability access with choice of using elevators or stairs
- 10 metre high elevated structure
- Over 6 metres of road clearance
- Fully enclosed screen footbridge to prevent objects falling onto the road.

Every effort will be made to keep disruption to a minimum for residents in proximity to these activities. The Gold Coast Line Rail Stage 2 team apologises for any inconvenience and appreciates the community's continued patience during these important works.
