

Community Fund in association with the Gold Coast Light Rail Stage 2 project

The Gold Coast Light Rail Stage 2 project is offering funding to charities and not-for-profit organisations that provide health, environment, education or community services in the Parkwood area.

Grants of up to \$10,000 per organisation (from a total funding pool of \$25,000) are available for charities and not-for-profit organisations.

CRITERIA

Applications must meet the following criteria:

- Funding must be used for a program/initiative delivered in the Parkwood area.
- The program/initiative should address an issue or meet a community need that is of particular importance in the Parkwood area.
- Ideally, the program/initiative provides opportunities for the Gold Coast Light Rail Stage 2 to participate (examples include volunteering or in-kind support).

APPLICATIONS

Contact gclrstage2@cpbcon.com.au for an application form. All applications must be submitted by **Friday, 24 March 2017**. A judging panel comprising of representatives from the Gold Coast Light Rail Stage 2 project, GoldlinQ and local community members will assess all submissions. Successful applicants will be notified from 27 March 2017.

DELIVERING THE GOLD COAST LIGHT RAIL STAGE 2

The Gold Coast Light Rail Stage 2 involves the design and construction of a new 7.3km route which runs from Helensvale heavy rail station adjacent to the Gold Coast Line, then adjacent to the Smith Street Motorway to connect with Stage 1 at the Gold Coast University Hospital light rail station.

GoldlinQ's construction contractor CPB Contractors are currently delivering the Gold Coast Light Rail Stage 2 for the Australian Government, Queensland Government and the City of Gold Coast in time for the Gold Coast 2018 Commonwealth Games.
